Task 3: Can students find a book, determine if it is on loan, find its location on the shelf and/or reserve it?

Scenario: Can you find Real World Research: a resource for social scientists and practitioner-researchers, by Colin Robson and published 2002? Is it available on shelf and if so, where? If it is not available, can you try to reserve it? We will delete these after the session.

Asset:

The screenshot shows a library record for the book "Real world research : a resource for social scientists and practitioner-researchers" by Colin Robson. The record includes a small image of the book cover, a star icon, and the text "Book". Below this, the title is highlighted in yellow. The author is listed as "Colin Robson 1935-". The publisher and edition are "Oxford : Blackwell 2nd ed. 2002". A green dot indicates the book is available at "Main Collection Education - Level 5 But ROB". There are three tabs: "Item details", "Full record" (which is selected), and "Continue search". The "Full record" tab displays the following information: Title: Real world research : a resource for social scientists and practitioner-researchers; Author: Colin Robson 1935-; Subjects: Social sciences -- Research -- Methodology; Psychology -- Research -- Methodology; Research methods; Social science research; Psychology; Publisher: Oxford : Blackwell; Creation Date: 2002; Identifier: ISBN063121304x (hbk); ISBN0631213058 (pbk); Format: xxii, 599 p. ; 25 cm.; Language: English; Source: IOE Library Catalogue.

Task 4: Can students find a link to the BEI from Librarysearch?

Scenario: Can you search for something in the BEI (British education index) in IOE Librarysearch and when you've found something can you link out to get the full text?

Task 5: What can you find on the IOE subject of Validation

Scenario: What resources can you find on the IOE Subject of "Validation" which were published between 1996 to 2002
